**31/03/2020**

Dear parents

We hope you are staying indoors and keeping yourselves and your loved ones safe!

By now you and your little ones must have watched the video - Ria and Rohan Make Rules To Stay Safe. Do not forget to discuss with the children that not following rules, like the ones Ria and Rohan follow, can make it easy for the 'bad' virus to make us very sick and uncomfortable.

Here is a worksheet that your children can attempt while you discuss the very important Do's and Don'ts with them.

Class: Nursery to 3

Warm regards

**31/03/2020**

Dear parents

We understand that it is often difficult and challenging to keep our little ones indoors. And these days, because of the lockdown, when you cannot let the children out of your sight, it becomes even more difficult to keep them engaged. They may insist on going out without realizing the consequences of doing so in the existing situation.

We have here for the children a short story which will make them recognize and appreciate the importance of staying indoors at this point.

You may watch this video, and then narrate the story to your children; you may play it for them if you think they will enjoy it more.

This video has been created for learners in Kindergarten and Primary School.

Dear Parents

Greetings of the day!

Hope you are safe with your family.

**Coming together is a beginning**

**Keeping together is progress**

**Working together is SUCCESS**

Keeping this mind our teachers have prepared some activities/assignments/ videos to keep the students use their time purposefully. So daily you will be receiving such content from one subject teacher. Please help your ward go through them and complete the task as asked by respective teacher **Educate,Engage** and **Entertain** your children at home with these assignments and activities.

All the assignments and activities are to be done in a separate notebook and will be checked after the school reopens.

With best wishes

Dear Parents

Greetings

Hope our children are busy learning with their teachers.

The school has taken another initiative to enhance the learning of the students through practice and we need your cooperation in this regard. By following the given guidelines we can be in touch with each other and make their learning more effective.

1. Download Extramarks App from play store
2. It will ask for school code. Enter GTS-SD0506
3. Create Account with phone number. You will get an OTP.
4. Select CBSE, then select respective class
5. You will see a dashboard with all the subjects.

This is a great learning platform for learning, practicing and evaluating.

Dear Parents

E-learning is not just electronic learning; it is effective, efficient and engaging learning.

We believe that learning must travel the distance from head to heart. Keeping that in view, online classes will begin from 13th April 2020 for all students of classes 6th, 7th & 8th.

The teachers will be conducting Video Conferencing Session to take classes on Zoom App to help students utilize their time effectively while at home.

I hope my dear students are also using the Extramarks videos and lessons for purposeful learning.

The teachers underwent a series of training sessions to be equipped enough to deal with the current situation.

Class teachers will share steps to download the app and meeting id of the subject teachers, time table and schedule for further help.

The teaching-learning process will be more interesting and zealous.

Dear Parents

Warm Wishes

Thanks for making our online classes successful. Everyday we are hearing about frauds in the Zoom app, although the School is trying it's best to follow all the security measures we request you to take care of some steps to save the children from any kind of bullying-

1. The participation of children in virtual classrooms should be under parental supervision.
2. Students should login with parents name and they should only be attending the online classes as a guest.
3. Never share the link/ meeting ID / password with anybody else to join the meeting.
4. Kindly note down the meeting ID and password of teachers and then delete that chat so that it cannot be misused by the hackers.
5. Kindly join the classes on time. Once the session starts, it will be locked by the teacher and the student will not be allowed to enter the class
6. Tell students to understand the importance of security and privacy using these apps.

I think together we can face this situation.

Thanks and Regards

Dear Parents

Thanks to all of you, for your continuous support for holding the online classes. I have been constantly receiving the encouraging words from you and feedback regarding the classes. On that basis, we have made certain changes w.e.f Tuesday 12th May 2020

To give more gap between the periods, there is rescheduling of the periods, so that students and the devices get some time to recharge.

In order to enhance the learning of students beyond the books, we are also starting with the physical education, dance, music and fine arts period in the timetable.

The details will be shared by the respective class teachers with you.

Please help your child to login for his classes on-time and ensure that the child is properly dressed, is not lying on bed and is not eating while the classes are going on. These simple gestures and habits will help the child to create an ambience for better learning.

Looking forward to a positive partnership from your side.

Let's help each other for better learning of our children.

Dear parent

Stay Safe, Stay Connected, Stay Productive

We appreciate your encouraging response, patience and co-operation in the smooth running of On-line classes. The times have been challenging for the past so many months but our team of teachers are committed to their work to keep connected with the students so that we can continue to work and learn.

All of us know that without our collective efforts our endeavours cannot succeed. The supervision of parents at every step is required to monitor the children. As informed earlier, we are planning to conduct periodic Test 1 as per schedule and seek the parents help in conducting them smoothly maintaining the sanctity of the same. We would also like to inform you that Internal Assessment will be based on the maintenance of notebooks, regularity in submission of assignments and completion of work.

Attendance during the assessments is compulsory, otherwise the student will be marked absent.

For classes 3rd to 5th the question paper will be provided to students the same morning and they have to write the paper in the class during the given time. The paper should be uploaded on the WhatsApp number provided by the teacher within 10 minutes after the completion of paper.

For classes 6th to 8th the papers will be Online.

Schedule of the Periodic Test will be shared with you soon.

We solicit your help and supervision so that the students take the assessment in all fair means.

**13/07/2020**

Dear Parents

Kindly find attached date sheet for PT 1 assessments.

Tests will be conducted by class teachers on said date from 9am to 10am.

Please keep your ward ready for assessments with Test notebook & required stationery.

Your presence near your ward will help us in conducting fair assessment.

3rd & 4th periods (at 11am & 12 noon) will be held after the test is over.

Rest of the day's normal schedule will be followed.

Students of classes 1st & 2nd will make one 3 in 1 notebook for all subjects. Students from 3rd to 8th will make 1 thin test note book per subject.

These notebooks will be kept in school records.

After test is over parents are requested to whatsapp the clear picture of the attempted test to the teacher concerned.

Parents having any difficulty in conducting the test at the said time can inform class teachers, so that alternate timings can be sent to them separately.

Your cooperation in this regard is highly appreciated

Dear Parent

As you are aware, school has always believed in being the front-runner in adopting technology to enhance the learning experience of the students. Accordingly, we are trying to explore good opportunities for students on different platforms. We are soon starting FUNTOOT-an adaptive digital learning program for Mathematics and Science to improve their cognitive abilities and progress to Higher Order Thinking Skills.

Funtoot makes learning fun by identifying child's area of interest and tailoring learning path for every child. You are requested to make best use of this.

Special Features of the PROGRAM-

- a] Personalized learning path for each child.
- b] Curriculum Integration matching school curriculum.
- c] Step by step evaluation of attempted problem.
- d] Detailed report of the student to understand weak areas of the student. |

Please follow the following steps to access funtoot:

- Go to <https://funtoot.embibe.com/funtoot/> and click on 'Login' button in the top right hand corner.
- Please enter student ID and password as given by class teacher to login as a student.
- Click on 'Learn' tab, select topic and subtopic to start learning.

In case of any query please contact your science/ maths teachers
