ANNUAL REPORT 2025-26

HOLY CHILD PUBLIC SCHOOL SECTOR 29 FARIDABAD

(Today's Learners, Tomorrow's Leaders)

Vision

To create Global citizens and leaders of tomorrow through traditional values of love, empathy, discipline and respect - 21st century citizens who will think globally and act locally.

Mission

To create thoughtful leaders through holistic education and lifelong learning.

About school

Holy Child Public School , Sector 29 Faridabad is an institution being run by Holy Child educational society designed to mould its students into strong, healthy, knowledgeable ,responsible, well-disciplined and patriotic citizens of India. It is a co-educational English medium public school which has a lush green campus in 7257 sq. yard (approx.) land and provides state-of-art infrastructure classrooms and much improved learning environment for the students. There is a healthy emphasis on both curricular and co-curricular programs. These programs make the students physically fit, mentally alert, socially responsible, emotionally strong and ethically sound.

Aims and objectives

- To train mind "how to think" and not just "what to think" through our experiential learning method
- To impart international level quality education at an affordable price
- To induce a quest for learning
- To help students nurture their creative bend of mind
- To adopt student centric approach integrating high order thinking skills
- To help them become a global citizen
- To empower students to realize their potential.
- To help students to work ethically, communicate effectively, think independently and reason logically.

A great saying goes so "Real Education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way".

It is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and the unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude. We thank the Almighty God for all the blessings bestowed upon us year after year, especially during the academic year 2025-26.

Exemplary leadership wins laurels

On the eve of Teachers' Day, Principal Ms. Anshoo Tandon, on being conferred upon '**Guru Samman Award 2025**' for exemplary vision, leadership and unwavering commitment to the cause of education by Mrs. Praveen Joshi, Mayor, Municipal Corporation, Faridabad. The solemn event was organised by Dainik Jagran on 18 September 2025. Ms. Tandon was presented with the certificate of excellence, acknowledging her stupendous hard work and determination.

Our school also received certificate of excellence by **ET Leadership Excellence Award 2025.** The award became all the more special as it was presented to the directors Mr. Saket Bhatia and Mrs. Rupali Bhatia by the legendary actor Mr Anupam Kher.

This monumental recognition is a testament to our directors' visionary leadership, relentless commitment to educational excellence, Innovative teaching practices that define our school.

BOOKMARKING SOME MORE ACHIEVEMENTS-

On the eve of Teacher's Day few teachers were nominated for the prestigious IIHM Award by our school for their meticulous work and untiring endeavors as educators. In this category Ms. Shweta Kapoor was presented with the certificate of excellence in education, acknowledged for their zeal and vigor.

CBSE AND COMPETITIVE EXAMS ACHIEVEMENTS

The stellar CBSE results of Class X and XII for the Academic year 2025-26 reflect the vibrant academic spirit of Holy Child Public School, where every student is empowered to reach their full potential. Many students have cleared the prestigious JEE Advanced ,NEET and CLAT Exams and secured their admissions in IIT's,NIT's,NLU's and Medical colleges

ACADEMIC EXCELLENCE IN SCHOOL

We have adapted to the learning that took place beyond its walls, regularly assessing students' skills and tailoring learning opportunities to meet students at their skill level. Google forms, Kaahoot, Quizzes, and many other learning and gaming sites not only promoted blended learning but made learning fun and exciting. Blended learning took place in our school wherein teachers catered to the needs of children present in classroom and present beneath the screen. Flipped learning empowered children for independent learning and stress was laid upon it too. Collaborative learning, Case studies and Project-based learning were also been introduced.

Challenges

The school tried its best to prepare the students to be robust, intelligent and ready for climatic change, economic changes and more natural disasters. Teachers were equipped with internet connectivity and Internet enabled devices at home to conduct online classes. They not only needed technical training initially but now with the passage of time they have aced it. We focused on engagement initiatives to boost learning, sharing educational content. We conducted live videos lectures and many of the lectures were being recorded and sent to students who were facing challenges in attending live classes. There were personal losses in many families, we had given them financial support and tried to empathize with them. They were handled with utmost care and sensitivity.

Assessments and evaluations

Periodical assessments and evaluations were conducted for the students and their progress was informed to the parents frequently. Subject enrichment activities were done by the students and teachers evaluated these as the internal assessment.

Remedial support

Remedial classes for the not so academically strong students were held after the regular class hours and during summer vacations to bring them up at par with the rest of the class.

Teacher Enrichment Programs

"It's the teacher that makes the change, not the mere classroom".
We believe in equipping teachers to prepare the students for the future and to update their knowledge time to time. So the school arranged webinars, workshops and in 2020 it was in virtual mode directed by CBSE and other agencies.

Regular staff meetings were conducted to evaluate the quality of performance and plan for the future with more innovative methods of teaching and learning programs.

Our Geniuses

“Excellence in academics is the hallmark of any good institution”.

The system of education at HCPS, as you all know, is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum.

More to the glory of HCPS

It was a Jubilant moment for HCPS, Sector -29 as the Boys Pipe Band was awarded the second position at the National School Band Competition (North Zone) held at Chhatrasal Stadium, Delhi. All their dedication, practice and magnificent display of talent bore fruit.

Competing against the best bands across North India, under the Samagra Shiksha initiave, our boys displayed incredible discipline, rhythm and teamwork.

Co-curricular Activities and Celebrations

Holy Child Public School not only focuses upon the intellectual development of our future generation, but also takes care of their emotional, physical, cultural and behavioral development in their early ages of development by inculcating sound moral values, responsibility, self-reliance and social awareness. The school calendar remained studded with a rich variety of co-curricular in house activities. The school has never failed to keep the passion and fervor alive in young learners. The colossal potentials showcased by the students during functions and competitions have often left the tongue swaging in admiration.

Sports

We believe academic learning and sports are complimentary to each other. Physical activities are designed in such a way that they not only make the students active and energetic but also enable to harness the in-depth potential. With the aim to provide a range of professional coaching services– Volleyball, Football, Basketball and lawn tennis academies have been started for the players and the sports lovers from all age groups. At regular intervals various sports camps, tournaments were organized to provide a platform to hone the sports skills. Inter house/ Inter class Kabaddi, Kho Kho, Badminton, Chess, Table Tennis competitions and matches were organized to provide the students with best possible opportunities in their early sporting lives.

Yoga Champion

It's a moment of great pride and honour as Ankita of standard VI-C, of Holy Child Public School sector 29 represented the state of Haryana in the 50th. sub - junior and junior National. Yogasana Sports Championship. She was awarded a silver medal for her exceptional performance in the National Artistic Solo Yoga Competition, (sub junior, girls). She bagged the gold medal in the National Artistic Pair Yoga Sports Championship. She was also placed in the fifth position in the National Free Flow Yoga Sports Competition.

Her dedication, disciplined training and remarkable talent paved the way to success in multiple National Events

Based on her remarkable performance at the national level, Ankita has been selected for the Federation Cup Yogasana Championship and also the Asian Yogasana Championship, which is proposed to be held at Dubai.

Clubs

Literary club, Maths club, Science club, Arts and Crafts club, Flameless cooking, Personality development club, Dance& Music club were formed to create a dedicated study and interest in students in particular areas where they have more interest.

“Education is not preparation for life; Education is life itself.”

With this thought, the school endeavors to provide the best in the field of education, marching ahead with growth and aiming prosperity in mind and taking forward the legacy of HCPS.
